

Popcorn Kickoffs

Every unit is encouraged to send their **unit popcorn kernel**, or a representative, to one of the three council popcorn kickoffs! These will be informative events where unit kernels will be able to receive sale information, pick up forms and paperwork, and get some important training...plus, a unit's participation in one of these events is worth **an extra 2% commission** for their overall sale!

It is important that all attendees RSVP because we're planning to serve some food during the fellowship time and we also want to make sure there is plenty of seating for everyone. In addition, we'll have the packet of **order forms and support materials** available for every unit that RSVP's in advance.
