

**HIDDEN VALLEY SCOUT
RESERVATION
NEW BIRTH OF FREEDOM COUNCIL, BSA**

**BOY SCOUT RESIDENT CAMP
PROGRAM HIGHLIGHTS
2012**

Greetings from our Program Director!

Dear Scouts, Parents, and Leaders,

As a new camping season approaches, we at Hidden Valley are already eagerly anticipating your arrival this summer, for what is certain to be our best year yet! Since our inception in 1927, we at Hidden Valley have always strived to “Do Our Best” to bring you a camping experience that will never be forgotten! If this summer will be your first at HVSR, we know you’ll love what you find! Our 830+acre reservation is equipped with all the necessary resources to ensure the camping experience of a lifetime, including Sherman’s Creek, which provides excellent opportunities for fishing and boating throughout the Reservation. While we’re proud of what we’ve done in the past, we’re always eager to identify ways in which we can better serve our Scouts. To that end, we surveyed hundreds of our campers and guests last summer. Based on what we learned, we’d like to share our commitment to you for 2012.

At Hidden Valley, we pride ourselves on our ability to refresh and renew our program every year. Because of our location and resources, we are one of the few Scout camps able to provide a once in a lifetime experience for Scouts of all ages. From our first year camper program, which we believe to be the best in the BSA, to our 40-ft climbing tower, shooting ranges, and extensive aquatics department; there’s something for everyone! While we remain committed to the traditions we’ve inherited since our inception in 1927, we also seek to offer something new for every camper. This year we’re offering a few new merit badges, as well as many new campwide events and competitions!

At Hidden Valley, we strive to be responsive to the needs of our unit leaders. When you arrive in camp this summer, you’ll notice increased efforts to the improvement of our campsite facilities. In addition, we’ve also committed to improving our communication and promotional efforts to better support your year-round mission. You’ll notice clearer and more frequent announcements through our camp’s website and Facebook page, and even a different organization to our Leaders’ Guides. Instead of publishing a single, lengthy guidebook as we have in years past, this year we’ve chosen to publish two different versions:

- This, our *Program Highlights Guide*, explains our schedule, activities, and advancement opportunities. We realize that this is the information most sought after by Scouts and leaders when they’re making plans for the summer. Senior Patrol Leaders will find this particularly helpful for understanding the program that we will be offering this summer.
- The *Camp Leader Guide* details all of the procedures, rules, and forms you’ll need to make a reservation and arrive at camp. This will be most helpful to the Scoutmaster or Camping Chair.

Finally, we know that when leaders come to camp, that they are looking for an exciting week of program and training as well. Because of this, we have increased the amount of leaders competitions and training offered at camp this summer, so that you too can take advantage of all that Hidden Valley has to offer!

Most importantly, at Hidden Valley, we endeavor to provide the best possible experience for our Scouts. After all, Scouts go camping to learn and have fun! This means we’ll continue to recruit and train the best possible staff. We also try to strike an ideal balance between instructional time and free time so that a boy can explore the camp in his own way. Whether that means going for a hike with a buddy or relaxing around a campfire, you’re sure to appreciate the occasional free time built into our schedules.

I look forward to seeing each of you at Hidden Valley this summer as we celebrate our 85th Anniversary of Camping!

Happy Scouting!

Justin Myers
Summer Program Director

THE HIDDEN VALLEY EXPERIENCE: WHAT'S NEW FOR 2012

At Hidden Valley, we pride ourselves on our ability to renew and refresh our program offerings every year, and we've developed a few new programs for 2012. We have expanded our merit badge catalogue to include **Textile**, **Chess**, and an old favorite, **Bugling!** **byappointment** In addition, we have adjusted our class schedule to offer more sections of our most popular activities (especially in the Climbing, Handicraft and Waterfront Areas). This should enhance our instructors' abilities to provide more individual instruction to your Scouts, and improve the learning experience for all.

Returning campers will remember that we tie many of our camp-wide activities together with a common theme. For 2012, our program will operate with the **Celebration of our 85th Anniversary** theme. Our world-class staff will be transforming the camp back to the way it was in the "old glory days" (well...as much as we can!) We'll celebrate the days of old at our campfire and other camp-wide activities, while putting our own twist on things!

Of course, you can do more than witness the theme by choosing to participate yourselves! Our campers have always found creative ways to join the fun by incorporating our themes into their campsite gateways, cooking competitions, campfire skits, and more.

Scouting makes memories, so in addition to our new programs, we've decided to continue two traditions to help you commemorate this season at Hidden Valley. First, we ask each troop to leave their mark at Hidden Valley by contributing to the construction of our **Hidden Valley Wall of Fame**. To contribute, please prepare a solid piece of wood (nothing brittle and no bigger than 8x10) by painting it to represent your troop. We will hang each one in our Dining Hall, a place where they can be remembered for years to come! Second, we will continue a practice from the earliest years of our camp's history – the **Camp Portrait!** Each and every Scout and Scouter is invited to pose for this group photograph during the check-in process on Sunday. In these ways, we'll preserve the memory of our summer's fellowship for all time.

CAMPWIDE CHALLENGES, ACTIVITIES, AND EVENTS

Troop and Patrol Activities

The reasons for attending Hidden Valley may be as diverse and numerous as our campers, but one thing is certain – the best memories are often those we share with friends! Hidden Valley provides many program opportunities for groups to enjoy.

Flag Ceremonies

Daily – 7:50 am and 5:50 pm

Demonstrate your patriotism by attending our daily flag ceremonies, or bring honor to your troop by volunteering to assist in the color guard's duties. Our daily assemblies also provide opportunities for communication and recognition, so don't be late!

HV "Cast-Iron Chef" Competition

Monday – (judging following Vespers)

Each troop should strive to be recognized as the Culinary Kings of Camp in this year's "Cast-Iron Chef" Competition! We challenge you to make the tastiest dessert that you can come up with. Competition rules are simple:

- 1) Each troop may enter a single recipe by bringing the finished dish to the Commissioners Corner following Vespers on Monday. The troop should provide enough for sampling by several judges; leftovers may be shared with the rest of the camp staff or returned to the troop.
- 2) Each troop must provide all of its own ingredients.
- 3) The dish must be cooked by Scouts in camp over a campfire. Leaders may assist the Scouts.
- 4) Troops should strive for creative and original recipes.
- 5) Each entry must include this year's special ingredient... Cinnamon!

The Great Ferry Race on Sherman's Creek

Tuesday – 7:15 pm

This event takes us back to the beginning of our camp history, when troops and their gear were loaded onto a ferry to get across Sherman's Creek to the central part of camp. You may think they had it hard back then, but just wait until you try your luck in our "Great Ferry Race"!

Each troop should prepare their own ferry prior to arriving at camp, following these rules:

- 1) Each vessel must be constructed of cardboard and duct tape only. You may also use items that you find at camp, if you wish (these must be all natural items).
- 2) Each vessel must be large enough to transport two Scouts for the entire race, as well as the "gear" that you will need to get ashore!

Contestants must transport their watercraft to Sherman's Creek after dinner on Tuesday. The aquatics staff will issue two paddles and flotation devices to each team. Teams will race, and the team that finishes the challenge in the shortest time and without sinking will be recognized as the overall champion. Additional prizes will be awarded to outstanding teams, including a new award for the best looking ferry.

Water Carnival

Tuesday – (Following the Great Ferry Race)

There's no better way to relax and refresh your spirits on a hot summer night than by participating in the Hidden Valley Water Carnival. This program is designed with the goal of giving every Scout an opportunity to participate. The Carnival will consist of water games at the Boat Docks field, including our Monster Slip & Slide, and a free swim at the pool. But don't worry about missing out on the fun of inter-troop water sports – that tradition of competition has been expanded and developed into the Aquatics Olympics!

Aquatics Olympics

Daily, By Appointment

This activity will consist of a series of water-based challenges. Troops will send different representatives to each of the events, and the ultimate victor will be determined by the troop's cumulative score. Examples of daily challenges will include a canoe race, relay race at the pool, and more!

Hidden Valley Historical Tours

Wednesday – 7:00 pm

In keeping with the Celebration of our 85th Anniversary, we will be offering a guided tour of camp by some of our most knowledgeable staff. This tour will take you back to camp as it was in 1927, and includes stops at some of camp's original foundations and structures. This will be an event you won't want to miss!

Interfaith Chapel Service

Monday – 7:00 pm to 7:45 pm

A Scout is reverent, and all are welcome to join in the fellowship of interfaith worship. Back for his 13th Summer at Hidden Valley, "Chappy Bob" will lead this service of worship at the beautiful Schoffstall Chapel, located behind the Health Lodge and Stockade Campsites.

Intertroop Activities

Thursday – 7:15 pm to 9:00 pm

Troops are encouraged to challenge one another to fun and competitive games of horseshoes, basketball, frisbee, volleyball, and more! In addition, our very athletic staff will be waiting to challenge any troop to a game of their choice. Do you have what it takes to beat the staff?!

Gateway Competition

All Week (Judging on Thursday morning)

Scouts can show pride in their campsite and practice their pioneering skills by working all week to construct a Troop Gateway. Troops should bring their own supply of rope for lashing and any other theme-related decorations they wish to use. Wood for the gateway must be scavenged from the surrounding woods. Remember, camp rules prohibit the cutting of live trees and bringing unfinished wood onto camp property.

Sports Challenges

Daily, By Appointment

Does your troop have what it takes to prove its dominance in basketball, volleyball, soccer, or ultimate frisbee? The Senior Patrol Leaders' Council will coordinate inter-troop matches, but a truly confident troop may even challenge the ultimate sporting opponent – Camp Staff!

Conservation Service Projects

Daily, By Appointment

A Scout is Trustworthy, Loyal, and *Helpful!* Anyone interested in performing a project for the betterment of camp can do so by coordinating the project with the Program Director. No special skills needed!

Mountain Biking

Daily, By Appointment

Hidden Valley boasts some terrific biking trails. Scoutmasters may coordinate with our Quartermaster to borrow mountain bikes and safety equipment for their units. Biking must be done as a unit (or patrol) and at least two adult leaders must participate.

Geocaching

Daily, By Appointment

This fast-growing sport has taken Scouting by storm! Global positioning systems have revolutionized the practice of land navigation, and you can experience it for yourself by taking a practice run along our course. You may bring your own GPS or borrow one of ours. See our Scoutcraft Director for more information.

Troop Shoots

Daily, By Appointment

Many troops have made shooting competitions a summer camp tradition. Due to the priority we place on providing time for merit badge shooters to practice, the windows to schedule troop shoots are extremely limited. We will try to accommodate requests on a first-come, first-served basis, so see the Shooting Sports Director as soon as possible. Units will be charged for the ammunition they use.

Buddy Activities

Polar Bear Swim

Monday, Wednesday, Friday – 6:45 am

Early risers will relish this activity. Gather at the pool before breakfast for a quick dip in the “frigid” water. There’s no better way to wake up and start your day! Those who do participate will be able to buy a special patch commemorating their accomplishment.

Leave No Trace Training

Monday – 1:30 pm

“We who know the woods that grace thee, trace thy meadows ore. Learn the flowers that bloom upon thee, watch the birds that soar”. The BSA supports the Leave No Trace program to promote environmental ethics. This brief orientation session will explain the principles of the program as applied to Scout camping.

Mile Swim

Daily, By Appointment

Any youth or adult wishing to test his endurance should strive to join the exclusive company of Mile Swimmers. Participants will have the opportunity to swim for distance each afternoon, building up to the final session in which everyone attempts to swim one mile.

Trail Run

Tuesday, Thursday – 6:45 am

What better way to start your day than with a little exercise? Members of our staff will lead participants on a run around camp to prove our commitment to remaining physically strong. The Trail Run complements the Polar Bear Swim program, and many Scouts choose to participate in both.

Order of the Arrow Recognition Day

Wednesday – All Day

The Order of the Arrow has been providing service to Scouting since its beginning in 1915, and Hidden Valley honors that legacy by holding an “OA Day” each Wednesday in our camping season. Members of the Order, regardless of their lodge or council affiliation, are invited to wear their sashes with their uniforms on these days. Other OA events that may be scheduled during the week may include a Call-Out Ceremony, Brotherhood Ceremony, and Campwide Service Project. While we welcome all Arrowmen, candidates from other lodges may participate in our Call-Out Ceremony only with written permission from their home lodge chief.

Iron Man Competition

Daily, 4:00 pm

A long-time Hidden Valley tradition returns for yet another season! Scouts can compete for the coveted distinction of being named a Hidden Valley Iron Man. This grueling competition includes physical and mental challenges from the Hidden Valley camp staff that will test a Scout’s strength, endurance, speed, and skill.

***Leaders Shoot Competition***

Thursday, 7:00 pm

Who's the sharpest shooter in the camp? Leaders may shoot for score to see who rises above the rest. Champion Shooters will be recognized at the closing campfire.

Checkers and Chess Tournaments

Daily

Scouts and Leaders may gather in the Dining Hall parking lot each afternoon to play chess or checkers. Whether you play competitively or casually, you'll find these games are both fun and mentally stimulating.

Hidden Valley Critter Crawl

Wednesday, 1:30 pm

A Hidden Valley favorite is making its triumphant return to the Reservation this summer! The Hidden Valley Critter Crawl, sponsored by our Ecology-Conservation Department, is an exciting competition where troops will enter a critter that they have caught at camp into a race out in our athletic complex. Details on this event will be provided when you arrive in camp this summer!

PARTNER PROGRAMS

Discover Scuba

Weekday to be Scheduled, Approximately 7:00 – 9:00 pm

Returning for another season this summer is the ever popular Discover Scuba program! Hidden Valley has partnered with the Harrisburg Divers to offer this program. Participants will take a PADI Scuba class at our pool that will enable them to complete many (but not all) of the requirements for the Scuba BSA award. Every participant must complete an additional release form. ***Please Note: Any participant marking "yes" to any of the medical conditions listed on the release form must receive the prior written approval of a physician to participate.*** This program costs \$20 per person, which covers additional instruction and equipment rental. Depending on group numbers, this program may be offered at Tuckahoe during a particular week. In this event, transportation will be arranged for all participants.

MERIT BADGE CLASSES DESIGNATED WITH ASTERISKS (*) LAST 25 MINUTES. ALL OTHER CLASSES LAST 50 MINUTES. BUGLING OFFERED BY APPT. ONLY

A QUICK GUIDE TO SUMMER CAMP CLASSES

A Scout attending summer camp must make many important decisions. Of these, selecting merit badge classes may be one of the most important. Ambitious Scouts may make the mistake of trying to cram too many classes into a single week, while their less motivated counterparts may avoid challenging themselves. As Leaders, you may be called upon to advise Scouts in both of these situations. On the following page you will find a table that summarizes some information you will find helpful when framing your advice.

Please be sure to register for your summer programs by returning the proper forms by June 1, 2012. These forms are included at the end of this guide. Please also be sure to understand the **National Policy on Partial**s if it applies to your Scouts. Basically, anyone who previously completed some (but not all) of the requirements for a merit badge may receive credit for that work so long as he can convince his counselor that he remains knowledgeable about those requirements.

Merit Badge (or Special Program): Hidden Valley will host nearly 40 merit badges and several special recognition awards this summer. They are listed alphabetically. Merit badges that are required for the rank of Eagle Scout appear in italics, while badges that were not offered at Hidden Valley last season appear in bold print. Every Scout must bring a signed merit badge application (“blue card”) to the first class session.

Program Area: We offer merit badges through seven departments. The location of each department is clearly marked on the Program Map (found at the end of this guide). Individual merit badge classes may meet in alternate areas, but advance notice of any change will be provided in class or at camp assemblies.

The distance between program areas should be one of the critical considerations in preparing your Scouts’ schedules. The travel time between classes is limited, so encourage your Scouts to schedule accordingly. Poor planning will result in chronic tardiness and is inconsiderate to the campers in class who plan more carefully.

Prerequisites: The listed requirements should be completed prior to arriving at camp, although failure to do so will not prevent a Scout from taking the class. In some cases, the Scout will be quizzed to ensure that he has acquired the requisite skill. In other cases, direct evidence of the finished work should be brought to camp. Appropriate evidence will vary depending on the requirement in question, but completed projects, papers, photographs, and journals are some examples. In a few cases, the counselor may accept a note from a parent or Scoutmaster as evidence. These pre-requisites are accurate for 2011 and are further explained in the following pages. Any changes in requirements for 2012 will be advertised on our council website’s camping page.

Difficulty: The counselors at Hidden Valley believe that any Scout should be able to earn any badge we offer, though some will prove more challenging than others. To help you guide your Scouts to set realistic goals, we have carefully evaluated all of our merit badges based on three criteria:

- Does the badge require a Scout to acquire complicated skills or uncommon knowledge?
- How much time would the average Scout need to study or practice outside of class?
- Are there time-consuming requirements to be completed outside of camp?

Based on our analysis, we have assigned each merit badge a difficulty rating from 1 (easier) to 3 (harder). We must stress that we offer these ratings purely for planning purposes. No Scout should ever be discouraged from attempting to earn a “difficult” badge if it interests him, nor should any Scout regard a “Partial Completion” as equivalent to a “Failure.”

Additional Charges: A few of our merit badges impose additional costs on Scouts to cover class materials. Charging these special fees allow us to keep our overall camping fees lower than they otherwise would be. Scouts also learn to be more thrifty and responsible for items they individually purchase. We strive to keep these costs as low as possible. Please see the appropriate merit badge descriptions for details.

2012 MERIT BADGE AND RECOGNITION LIST

Eagle-Required Merit Badges appear in italics. Badges that were not offered at Hidden Valley last year appear in bold.
