The Gettysburg National Military Park Museum and Visitor Center is located at 1195 Baltimore Pike in Gettysburg. The center features a new museum and exhibit hall that will take visitors through the story of the Civil War and the Battle of Gettysburg, the significance of the Gettysburg Address, and how the war shaped the future nation. There are also special exhibits in the Gilder-Lehrman Exhibit Room, a Resource Room where visitors can further explore our electronic databases, an orientation film entitled "A New Birth of Freedom" and the famous Gettysburg Cyclorama (opening in September 2008).

The center has tour information for the battlefield and is where a Licensed Battlefield Guide can be hired for a personal tour of the park. There are other amenities in the center including a vast bookstore and refreshment saloon, reminiscent of the saloons that offered food and drink to Union soldiers on their way to war.

Regular center hours are from 8 A.M. to 6 P.M. During the summer season from June 1 through September 1, the center is open from 8 A.M. to 7 P.M. After that date, the center returns to an 8 A.M. to 6 P.M. schedule. Phone (717) 334-1124 for further information on location and closures.

NOTE: Option 2 directions, listed above, will take you past gas stations, minute markets, and grocery stores.
