

Tentaroo: Online Reservation System

This year's Council Calendar includes dates through 2020. By having dates well into the future, we are able to make the most of Tentaroo—our Online Reservation System. Tentaroo is a reservation system designed specifically for Boy Scout Councils. Units can use Tentaroo to make reservations for Summer Camps, Activities, Trainings, and Year-Round Camping facilities until June 30th, 2020!

How does it work?

Every unit has been provided with a username and password.

Username and passwords were shared with the unit's key leader (Cubmaster/Scoutmaster/Advisor/Skipper) and Committee Chair. The credentials are unique to the **UNIT** and the unit should share those credentials only with those key adults in the unit that plan trips and make reservations. **It is NOT recommended that the unit give every parent access to the system.**

What can my unit do in Tentaroo?

- Make Summer Camp Reservations
- Modify Unit Reservations
- Modify and manage your roster
- Make and View Payments
- Merit Badge Registration for Summer Camp and Merit Badge Colleges
- Year-Round Cabin and Facility Reservations
- District and Council Events and Activities Reservations

Klondike Derby Reservations

The Council Camping Committee and Executive Board have approved a policy for Cold Weather Camping, which impacts District Klondike Derbies. The policy states that there must be sufficient space at a Klondike Derby to get participants inside in the event of extreme and/or hazardous weather conditions. With this provision, all cabins will be reserved for district use until 90 days prior to the event.

Districts will be responsible for the reservations of cabins for their event. When you log into Tentaroo **ALL CABINS WILL SAY THAT THEY ARE RESERVED WITH A GRAY BOX. CABINS WILL BE AVAILABLE ON A FIRST-COME FIRST-SERVE BUT ARE RESERVED THROUGH YOUR DISTRICT EXECUTIVE.** This is to help accommodate all units that are interested in reserving space in a cabin. Once a unit indicates to the district that they are committing to use a cabin, the District can approve the request to be processed with the Camping Department.

Process for making a cabin reservation for Klondike Derby

1. Contact your District Executive/Director or district-designated volunteer
2. Communicate your preference for cabin
3. Once approved your reservation will appear in Tentaroo
4. Complete reservation by making payment
