

Aquatics Director Position:

Salary: \$450 -\$500 per week based on experience

Online Employment Application: <https://forms.tentaroo.com/view.php?id=1405296>

Background Information:

The New Birth of Freedom Council, BSA is seeking to employ a resident Aquatics Director at Hidden Valley Scout Reservation. Aquatic certification is offered in May and early June 2019. Summer employment will run through the end of July and can be extended to mid-August. All meals, housing and the cost of all additional training and certification is provided by the New Birth of Freedom Council.

Responsibilities of the Aquatics Director:

The Aquatics Director is responsible to the Program Director for the safe and effective instruction and management of the Aquatics areas of camp. The Aquatics Director must exercise mature, sound judgment and possess a high degree of personal integrity. Patience and a desire to work with male and female youth of Scout age are essential for the execution of the position.

Qualifications:

- Experience working with youth and teaching swimming and lifeguarding skills.
- Physical ability, proficiency, training and experience sufficient to meet the needs of camp aquatics operations.
- Experience training and managing aquatics staff.
- Must be 21 years of age or older and become a registered adult member of BSA
- Must be able to attend National Camp School Aquatics Training and obtain certification.
- Have a minimum of current Lifeguard and CPR/First Aid certification.
- Must provide all required Pennsylvania child abuse clearance records
- Two years life guarding experience is preferred.

The Aquatics Director is further responsible for:

- Setting up, maintaining, and supervising swimming & boating areas, and meeting or exceeding applicable BSA standards and Pennsylvania state, local, and federal laws.
- Manage aquatics staff, schedule and all aquatic activity and advancement.
- Proper operation and general maintenance of pool, waterfront and all equipment, and general pool maintenance.
- Chief counselor for the aquatics advancements responsible to certify and submit all records.
- Enforcing strict adherence to all established safety regulations.
- Training of the members of the Aquatics Staff.
