How to Reserve a Session of Summer Camp

To access Tentaroo, please visit nbf.tentaroo.com directly or via links provided throughout our website.

An account has been made for all units in the New Birth of Freedom Council. Please use this account for ALL unit registrations.

Please create a new account only if you are an out of council unit or if you are signing up for an individual event (like a training or attending summer camp without your unit.)

If you lose your password, please contact your unit’s Primary or Alternate Contact for the password.

If the password has been lost by BOTH the Primary & Alternate Contact, start the recovery process by entering the Primary Contact’s email address and clicking “Request Password” or by contacting the Council at Sharon.Gochenauer@scouting.org or 717.620.4525

Immediately after logging in, you will be directed to the page you see above. This is your unit’s “HOME” page.

Select the Summer Camp you are interested in from the list on the left and click “Add Event Registration”.

03/17
Next, switch over to the “Campsite” tab, select your top 3 campsite choices, and click “Save”.

A window like the one on the left will pop up listing all of the sessions of camp that will be offered.

Select the session of summer camp that you’d like to attend and click “Continue”.

This next window is where you will enter how many youth and adult spots you would like to be held for your Unit.

If that number changes, you can Change Registration.

The deadline to increase these numbers is: 7 days before the first day of camp.

The deadline to decrease these numbers is: Monday, April 3, 2017.
You have a few choices from this next window that appears.

OPTION 1: Continue Event Registration

As soon as Individual Participant Registrations are open, you will be able to click on “New Youth Registration” or “New Adult Registration” and choose participants to add directly from your Unit Roster.

OPTION 2: Event Payment Options, Checkout

If you would like to:
- pay only the minimum amount required: click “Checkout”.
- pay the full amount due: select the “Pay Full Amount” option, then click “Checkout”.
- pay any other amount: select the “Pay Other Amount” option, enter the amount you’d like to pay, then click “Checkout”.

All changes or additions made to your registration will appear here, in your Cart.

You can review what you are submitting to Council and go back to make any necessary corrections, if needed.

No reservations or changes are final until the transaction is complete and your cart is empty.

If you need to pay by check:
please keep the items in your cart and either bring your check into the Council office or mail it to the Council ASAP, making sure to include your Unit information as well as details regarding how this payment should be applied.

If you need to pay through your Scout Account:
please keep the items in your cart and either come in to the Council office to confirm in person or email the person listed in the “Event Contact Information” section to authorize in writing.

FYI: Having an item in your cart does not hold it for you, so complete your order ASAP!

If you have any questions, please contact the Council by calling the phone number at the top of the webpage or by contacting the person listed in the “Event Contact Information” section.
