How to Update Your Roster

To access our online reservation system, please visit nbf.tentaroo.com directly or via links provided throughout our website.

If a member is in Your Roster, but their info need to be updated, select their name, update their details, then click

NOTE: Please take the time to accurately enter each individual’s details. DO NOT reuse information.

You can add a new youth or adult to your roster by clicking the button.

If a member is in Your Roster, but their info need to be updated, select their name, update their details, then click

NOTE: Please take the time to accurately enter each individual’s details. DO NOT reuse information.

Alternatively, if someone is currently in Your Roster, but is no longer a member, they will need to be removed.

Please select their name, check the box next to “Delete?” and click

NOTE: The Roster details could vary for each event, so every time you add a Participant, please take a moment to confirm all of their details are correct before Submitting.

If you have any questions, please contact the Council by calling the phone number at the top of the webpage.
