Halloween Day

Saturday | October 24th

Camp Tuckahoe
Halloween Day is a wonderful way to spend a fall day with the family and Pack on the grounds of Camp Tuckahoe. The day is filled with fun activities from shootings sports to games and crafts to the new Yo-Yo Preview adventure. While many Scouting activities have been cancelled, Halloween Day is a great way to keep on Scouting and get into the outdoors while remaining safe and healthy.

Schedule

To ensure everyone's safety, Halloween Day is limited to the first 200 participants (this includes Scouts, parents, siblings, and leaders). Also, to help keep groups separate and the number of participants at camp down, we have developed a group check-in and rotation process.

Within each zone, there are multiple different activities for Scouts, siblings, parents, and leaders to participate in. When their zone time ends, each group is given 15 minutes to rotate to the next zone. This time will be used for the staff to clean and sanitize their areas and materials used.

**Packing List**

When you arrive to Camp, you will want to make sure you have everything you need. To prevent groups and people from crossing, we ask everyone to stay with their group and in their proper zone while they are at camp. So, make sure you bring a day pack with all your essentials for the day. Each person MUST have the following:
- Bagged Lunch
- Water Bottle
- Face Mask
- Filled out COVID Screening

Important Information

- The morning of Halloween Day, everyone must fill out a COVID Screening Questionnaire. A copy can be found on the website on the Halloween Day page. Bring this form with you to Halloween Day.
- Please do not arrive early for your Check-in timeslot. This helps keep groups separate and ensure everyone’s health and safety. Early arrivals will be asked to turn around and return at their proper check-in time.
- Upon arrival, stop at the front gate to turn in your COVID Screening Questionnaire, get your temperature checked, and receive your Halloween Day wristband.
- Once you go through medical check, you will proceed to park your car in the parking lot.
- Once your car is parked, make sure to grab all of your belongs and head to our check-in area found outside the main office.
- Once you check-in, please stay in the area of the main office and trading post. Everyone will receive a short briefing and be directed when to go to the first zone.
- If you have any questions, contact Todd Weidner at todd.weidner@scouting.org or (717) 580-0180.
