

Unit/Family Shield Design

All Units and Families are encouraged to design their own Medieval coat of arms on a shield that will be displayed as a part of our very own Castle at Hidden Valley. The shields will be hung in front of our castle area and line the road for everyone to see, this is where the judging will take place on Saturday Afternoon. For each shield, please follow the design standards below. If you have any questions please contact:

Specifications:

- Height - No taller than 3 Feet
- Width - No wider than 2 Feet
- Material - All shields should be made of wood
- A Horizontal handle must be included on the back. (Shield must be equipped to be displayed via a hook, like a picture hung on a wall.)
- All images and wording must be Scout appropriate

Judging Criteria:

There will be two groups for judging, Families and Patrols/Units. Each group will have a district winner and then a champion for each group. We encourage everyone participating to be creative and original in their designs.

Shape of the shield should be similar to examples below
