

Rendezvous Unit Leadership Statement

In submitting our Unit Roster, I have screened all the members of my unit for COVID-19 symptoms (including cough, shortness of breath/difficulty breathing, sore throat, temperature over 100.4, and new loss of taste or smell) and everyone is asymptomatic. None of the members from our group has had recent contact with a person having COVID-19 in the past 14 days.

I understand everyone must wear a mask when indoors and is recommended to wear one during the Falconer Show and Closing Show. Our leaders will enforce these guidelines and regular handwashing for all the members of our group while at camp.

I also verify that everyone has turned in to me a completed Annual Health and Medical Record, with a parent/guardian signature, and is able to participate in all activities during this event. Anyone not approved to participate in all activities must be marked on the Rendezvous Unit Roster with an "X" by their name.

I understand if a member of my group starts exhibiting COVID symptoms I am to (1) isolate the person from the other members of my group; (2) contact the camp Health Officer and wait for further instruction from the Camp Leadership or PA Department of Health.
