

Show and Sell Consignment Option – 2021 Popcorn and Nuts Sale

After an extremely successful first trial at offering Consignment, we are happy to announce that the Consignment Option has returned for the 2021 Popcorn and Nuts Sale. This method is for units that typically only do one or two Show and Sells, units that have a history of only selling a smaller amount of product, units that are new to the sale, or units that don't want to do a full Show and Sell Order.

Units will not place a Show and Sell Order but will place a Consignment Request. They will pick the product up on a specific date and return it by a specific date. Units will be able to request a \$1300, \$3000, \$4300 or \$5700 product mix. This enables smaller units to have sufficient inventory to conduct their sale, but they don't have to worry about holding on to a garage full of product for the duration of the entire sale. This also helps us move product between units that need additional product during the sale. There is no risk to a unit who participates in the Consignment Option. You can return 100% of what you request out as long as it is returned by its due date.

Units can order product through the Consignment Product Request Form available at <https://tinyurl.com/yjfxr9t6>. Units may make multiple consignment requests during the Popcorn and Nuts sale. Please, complete a separate request for each consignment. Units may schedule multiple requests but may not have more than one consignment out at a time.

Consignments can be picked up on Thursday or Friday each week. Consignments are for 11 or 12 days (depending on whether you pick up on Thursday or Friday) and must be returned the Monday after your second weekend. If you cannot pick up or return in those windows of time, please contact your district kernel or district executive. Consignments can be picked up at either the York Service Center or Mechanicsburg Service Center.

Units will be provided a set list of products, which should be checked when they pick up their package. All packages will be in full cases. Units will sign a return sheet once products are returned and this is what the unit will be billed for at the end of the sale.

If your unit sells out of product between weekends, please contact your district kernel or Holly Schwalm at holly.schwalm@scouting.org and we will work with you to replenish your supply of product for the next weekend.
