

HERITAGE TRAILS DISTRICT
SPRING CAMPOREE
“ZOMBIEE 2023 WEEKEND”

APRIL 21-23, 2023

GLEN CARA, EMIGSVILLE, PA

(see attached sheet for directions)

Scouts and Scouters (Troops, Webelos, Venture Crews, & Ships) Take advantage of a weekend full of scouting activities where patrols will demonstrate their abilities to “be prepared” to handle what the outdoors has to challenge your patrols team work and skills.

Leave No Trace camping will be in effect during the weekend. Debris and garbage will be each units responsibility (carry in/carry out). Fires must either be off the ground or sod removed and then replaced to leave no trace. Water buckets and/or fire extinguishers are required in each camp site. Fires will be allowed unless there is a local fire ban at the time of the camporee. Alternate cooking methods for meals preparation should be planned.

Water will be available at the camping area.
