

Virtual Camp Card Sale

Overview

To help support Scouts, units, and the council's mission, the New Birth of Freedom Council continues operating a Virtual Camp Card Sale through our webstore. This means that Scouts can reach out to family and friends through email, social media, text messaging, or other means of communication (remember Scouts need to follow BSA guidelines for communicating digitally - <https://tinyurl.com/y6wo2mjk>) to invite them to purchase a camp card online through our website at

<https://shopnbof.com/product/2020-camp-card/>. Customers will follow the link, select the card or cards they wish to purchase, and during the transaction, **select the unit and enter the name of the Scout as the Salesman**. Orders will be mailed to the customer directly, and the unit and Scout will receive credit for the sale. Customers must use **Coupon Code VNMTJ7V5** to ensure they don't pay shipping fees.

Unit Commission

Scouts/Units will still receive the \$2.50 commission for each Camp Card sold. Scouts must make sure to provide customers with their unit codes and make sure that the customer enters the Scout's name to receive appropriate credit.

Distribution

Cards from the New Birth of Freedom Council will be mailed directly to the customer. We will mail cards every two weeks following the schedule below:

- Orders received by April 21 will be shipped on April 23
- Orders received by May 9 will be shipped on May 10
- Orders received by May 23 will be shipped on May 24
- Orders received by June 6 will be shipped on June 7

All of these sales count towards the Scout's prizes!

A Scout will receive a \$25 gift card for every 50 Camp cards sold. Gift cards may be selected for the Scout Shops in Mechanicsburg or York, the Trading Post at Hidden Valley, or the Trading Post at Camp Tuckahoe. Top-selling Scouts in each district also earn a free week of camp at a New Birth of Freedom Camp.
