## PROJECT TIME LINE HISTORY

**Average time for:**  
 Doing & coordinating the Project Plan, executing the plan (doing the Project), finishing the Project Report, holding the Eagle Scout Rank App, and holding the Unit Leader conference and the personal write-up noted in the "Certification" part of the App. This includes **EXTREME** data (EXTREME data is from COVID delays and very long process or issue delays.)

## PROJECT TIME LINE EXAMPLES

These time lines are **VERY** approximate! They only give a **CRUDE** GUIDE of how long some parts of a project may take. Yours may take **MUCH LONGER** or may be shorter. The elapsed times presume you have a busy schedule and you use an **EAGLE COACH**.
