 - Check-in and Inspection 2:00 pm (*estimated*)
 - Race to start 2:15 pm (*estimated*)

Again this Year- Overall Race Between All 6 Dens' Fastest Cars, the Winners from Each Den (Lion, Tiger, Wolves, Bears, Webelos, & AOL) will, at the very end of the Den Races, determine the Fastest Car in the District for the Grand Champion Award

Hey Cub Scouts, Derby Day is just around the corner! Here is a chance to race against other scouts across our District. So, bring your Pinewood Derby Car to the Newville Church of God on Saturday, March 7.

You did not have to win any race in your pack or den to enter this competition.

It is expected that the Scouts will design and build their own car to the best of their own abilities. Please allow your Scout to build their car, and do not purchase a car. Those not conforming will still run at the usual times, but in a separate class.

Trophies will be awarded for 1 session:

Lions, Tigers, Wolves, Bears, Webelos, and AOLs - 1st, 2nd, and 3rd Place in each den as well as the "Scouts' Choice" Award. For each Den, there will also be an award for the "New Track Record."

For a Description of the awards, please read the award section of the Pinewood Derby Rules

Every Cub Scout and Outlaw Racer who races will be presented with a Participation Patch. Pre-registrations must include the registration fee. Pre-registration guarantees entrée. Registration Fee is \$10.00

Don't miss out on the fun, excitement, and fellowship that is the District Derby Day.

Cub Scouts, PLEASE, wear your uniform!

Note: All Pinewood Derby cars will be weighed and inspected for compliance to the Conococheague Derby Day Pinewood Derby Car Rules.

Walk-ins are welcome; however, we strongly encourage you to register early. Details and downloadable versions of this form and the rules are also available. Registration is available on Tentaroo.
